► The History of TRAIL

TRAIL (Transportation Resource to Aid Independent Living) is a nonprofit service organization formed in 1990 by parents, consumers, and professionals. TRAIL provides transportation services for developmentally disabled adults to recreational and educational programs sponsored by AR&LE (Adaptive Recreation & Learning Exchange). Our riders live on their own in Bloomington, Eden Prairie, Edina and Richfield. Through donations and fundraising, TRAIL subsidizes the cost of transportation, so our riders pay a nominal fee for each ride.
