**I agree** to be responsible for keeping assigned plot as clean and neat as possible; supply my own seeds, fertilizer and equipment; water my own plot without overuse of the water supply; take all paper and debris with me; use cultivation or mulches to control weeds, not weedicides. By Oct. 15, I will remove all garden refuse and stakes, so fall plowing can take place; and if I decide not to plant, I will call 952-949-8441 so another gardener may take my plot.
